

## San Diego Harp Society - Membership Application/Renewal

Membership in the San Diego Chapter of the American Harp Society is open to anyone with an interest in the harp. Chapter membership entitles you to notification of local harp-related events such as concerts, ensembles and master classes, via chapter newsletters and emailed announcements. Chapter members receive the directory of local area harpists, teachers and Friends of the harp. The minimal annual membership dues support our student recitals and scholarship program for those student members who are planning to attend college. More information about the San Diego Chapter can be found at: [www.SanDiegoHarpSociety.org](http://www.SanDiegoHarpSociety.org). You can also follow events on Facebook, search for "San Diego Harp Society."

**Note:** *membership in the San Diego Chapter does not automatically enroll you as a member in the national organization.* Those dues are separate. We strongly encourage you to join both organizations. By doing so, you become a voting member in the San Diego Chapter, have access to news about harp-related events throughout the county and receive bi-annual copies of the Journal of the American Harp Society. Application forms for the national organization are available at: [www.harpsociety.org](http://www.harpsociety.org).

**Teachers:** You must join or renew your membership as a Regular Member of the San Diego Chapter if your student wishes to become a Student Member of the chapter.

**Students:** You must be a Student Member of the San Diego Chapter if you are planning to participate in the Spring Recital in La Jolla each year. Any student older than eighteen years must join or renew as a Regular Member and is not eligible to perform in the recital.
